## Mechanisms by which disease causes poor performance

*Dr Kate Allen BVSc(Liv.), CertEM(IntMed) (RCVS), PhD, Dip ACVSMR*

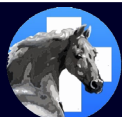

RCVS Specialist in Equine Sports Medicine

Senior Lecturer in Equine Sports Medicine at Bristol Veterinary School

**Dr Kate Allen** is an RCVS Recognised Specialist in Equine Sports Medicine. Her main expertise is equine respiratory disease and she runs the equine sports medicine service/poor performance clinic at the University of Bristol. Her main clinical and research interest is the mechanisms by which the respiratory system limits athletic performance both in health and disease.

**Dr Jane Boswell** is an RCVS and ECVS Specialist in Equine Surgery. She joined Liphook Equine Hospital in 2000 as one of the surgical team, and became a partner in 2006. As well as surgery, she has a particular interest in magnetic resonance imaging and lameness diagnosis. She has been invited to lecture extensively on these subjects both in the UK and abroad. Jane has been an examiner and chief examiner for the RCVS Certificate in Equine Surgery and for the ECVS Diploma in Equine Surgery and is a Regent on the Board of European College of Veterinary Surgeons.
