OFFIRE

REPORT ANY FIREWORK RELATED INCIDENTS TO US AT WWW.HORSEINCIDENTS.ORG.UK

Find out if anyone is planning on setting off fireworks in the local neighbourhood – speak to neighbours, use social media and noticeboards.

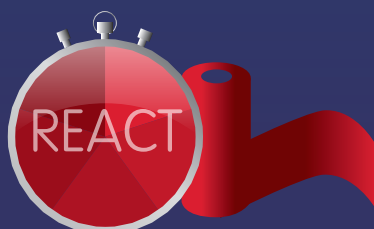

Keep to your horse's normal routine where possible and check for anything they could injure themselves on.

Research ways to help keep your horse calm – keep yourself calm too as this can have an impact on your horse.

Have an emergency fire procedure in place. Talk to your local fire safety officer for help.

Ensure you have adequate third-party liability insurance. If your horse is frightened and escapes, causing an accident, then you could be held liable for compensation.

After the event, keep an eye on your horse for any stress-related issues or injuries. Remember to check your field and yard for any firework debris.
